

Our Mission: The Council on Child Abuse provides educational and public awareness programs to prevent and stop abuse and bullying where children live, learn and play.

Fall 2021

Dear Friends,

Despite all the challenges the COVID-19 pandemic threw at us this past year, the Council on Child Abuse continued to meet our mission by providing programming to prevent and stop abuse and bullying to youth in schools and virtually. We were able to reach over 15,000 students through our programming.

We have much for which to be thankful. Our staff worked to strengthen and refine our programs and services to adjust to the changing academic environment and increased outreach to offer our expertise in person or virtually to meet the needs of their students and families. After canceling last year's event due to COVID-19, we were able to host Reach for the Stars from Afar during National Child Abuse Prevention Month. We adapted to a carryout concept and with the support of our donors and sponsors, we were able to raise over \$36,000. And finally, our board and volunteers shared their treasure, time and talent to guide and support us in countless ways to advocate for children who are at risk of abuse, neglect and bullying.

We appreciate your support over the past year, and we look forward to being together at Reach for the Stars on April 22, 2022. Thank you for taking the time to review this annual report which reflects our accomplishments from July 2020-June 2021.

We welcome you to visit our new website at www.cocachild.org to learn more about COCA and how you can get involved.
