ABOUT COCA

OUR MISSION

The Council on Child Abuse (COCA) provides educational and public awareness programs to prevent and stop child abuse and bullying where children live, learn, and play.

OUR HISTORY

Since 1978, COCA has been committed to and focused on the prevention of child abuse. COCA has a tradition and reputation for providing effective programs to hundreds of thousands of children and adults focusing on primary services that prevent harm to children.

Through the individual and collective efforts of professional staff and volunteer leadership, the agency continues to strengthen and refine its programs and services to effectively meet current and emerging needs. These services positively impact the children, parents and professionals served each year.

OUR AFFILIATION

With a focus on strategic planning and the sustainability of community programs, COCA became an affiliate of Talbert House in October 2015.

Reach for the Stars is the Council on Child Abuse's primary fundraising event of the year. The month of April represents the start of spring and renewed hope. April is also National Child Abuse Prevention Month.

Join us as we honor a month dedicated to raising awareness, protecting children and preventing child abuse. This year we will recognize a star from our community who works tirelessly day in and day out to keep kids safe.
